Students are only allowed to enroll in ONE PE credit while abroad, and they will only earn 1 credit hour for the course. The course must appear on the overseas transcript for academic credit in order to be transferred into Emory. Pre-approval is required by the PE Department. The PE Department does not grant any retroactive approval; therefore, all students must obtain pre-approval either before departing or upon arrival to the overseas program.)	<a href="mailto:sradell@emory.edu">sradell@emory.edu</a>	2835	-2912
History	Dr. Cynthia Patterson: History does not pre-approve study abroad courses. To receive Emory history credit for study abroad courses, the student must: 1) take a history course in a history department in an approved study abroad university; and, 2) submit written work following dept. guidelines (see below) for approval of credit. Written work guidelines: To be considered for upper-level (Hist.385) credit, students must complete a 3,000 word research paper with proper use and citation of sources. To be considered for lower-level (Hist.285) credit, students must complete 2,000 words of written, graded work in the form of one or more short essays, or some other appropriate form (not in-class exams or journals). Upon return to Emory, students should submit all written work and course syllabus to Becky Herring, Undergraduate Program Coordinator, who will forward to Dr. Patterson for approval and evaluation of credit.	<a href="mailto:becky.herring@emory.edu">becky.herring@emory.edu</a>	-3868
