

“My internship experience was more than I had bargained for. I learned how to film a show, direct it, and work audio. I also learned some other skills that I use in my everyday life: confidence, resilience, multitasking, and focusing. I was so pleased with my internship - it was fun, exciting and where I learned to love working and my coworkers!”
-Gabrielle B., Boston Global Intern

BOSTON

HUB OF OPPORTUNITY

Boston is a world-class hub of intellectual advancement and entrepreneurship. Home to more than 30 colleges and universities, Boston is one of the world's greatest academic centers. It is a hive of innovation and business activity in a range of industry sectors from finance and technology to healthcare and marketing.

Boston offers students a wide variety of cultural activities including visiting historical sites, checking out famous museums, attending sports games, and more.
