This memo has been created using information provided by the study abroad program, in consultation with colleagues at other institutions utilizing the same study abroad program, and/or per guidelines or commonly used practices in the field of international education and education abroad. COURSE APPROVAL PROCESS

Students must obtain approval for ALL courses taken abroad and must consult with the appropriate departmental Faculty Study Abroad representative at Emory for course approvals that are **NOT** already blanket approved. Students should not take classes for which they cannot obtain approval. Once the overseas transcript arrives at the Education Abroad office, the transcript will not be processed until ALL of the approvals have been submitted.

CREDIT TRANSLATION

A full course load typically consists of 15-16 credit hours. All students take the required IFSA-Butler course in Advanced Spanish: Grammar, Composition, and Conversation (pre-approved as SPAN 310). The remainder of the courses are selected from the Chilean universities. The on-site IFSA-Butler staff will assist students in registering for a full course load (15-16 hours). IFSA-Butler will provide a transcript to Emory with the courses translated into the U.S. credit system.
