

THE EMORY CONVERSATION PARTNER PROGRAM

Are you an international student interested in having a US student as a conversation partner to continue to practice your English speaking skills? Are you a US student interested in getting to know an international student and potentially learning a new language? In this language program International Students and US students will be paired together based on mutual interests, and students will meet a few hours each month for coffee, lunch, dinner, etc. to converse in English! Visit us on Facebook to sign up: www.facebook.com/emoryois

ANY QUESTIONS!**

oisl@emory.edu

Matching for the Spring semester will occur in late January/early February with a short training occurring afterward.

If you are unable to participate this semester but would like to get involved in the future please email us as well!
