Emory Scholars Summer Study Abroad Overview

Expand your worldview and embrace adventure! Emory Scholars can take advantage of an exciting scholarship to fund study abroad during the summer of 2017.

Scholarship Details:

Scholarships will be available each year for Emory College Study Abroad summer programs. The scholarship covers a set amount for the tuition of the program to which students have been accepted. The amount is determined annually by the Emory Scholars Program. Scholarship recipients are expected to cover the balance for any remaining tuition, room and board, books, transportation (to and from program destination), and other expenses that are part of their stay abroad. Transportation and day-to-day spending costs are not included.

Applicants must indicate that they are Scholars when applying for an Emory College Study Abroad summer program.

Students eligible for the Courtesy Scholarship are ineligible for this award and should contact Human Resources at 404-727-7613 for information on Courtesy monies available to them for summer study abroad.

Eligibility:

Graduates of Oxford College who are Oxford Scholars and rising juniors at Emory University are eligible to apply for the Emory Scholars Summer Study Abroad Scholarship. The following scholarships are eligible: Dean's, Faculty, MLK, and Woodruff. If you do receive the scholarship, you must be committed to continuing your studies on the Atlanta campus.

Emory Scholars in their senior year are not eligible to apply for the scholarship, as students are required to return to Emory campus for at least one semester after attending a summer study abroad program.

The Application Process:

Applications for summer study abroad programs will be available online (www.studyabroad.emory.edu) beginning **December 15th**. To be considered for a Scholars Program study abroad scholarship, students must complete the online Emory College Study Abroad Summer Study Abroad Application by **January 17th** or **February 3rd** for Global Internships. Early application is advised for students interested in the scholarship as some programs fill before the posted deadlines. Students will be notified no later than February 17th of the decision.

If a student does not receive an award and needs to cancel his/her application, the student must do so in writing to Emory College Study Abroad at studyabroad@emory.edu no later than March 1st to be refunded the \$350 deposit. If a student does receive the award and decides to cancel his/her application, the \$350 deposit is non-refundable. All Scholars are subject to the Emory College Summer Study Abroad Refund Policy after March 15th.
