TORONTO
A CITY WITH A RESUME

Canada’s economic capital, Toronto is a city with an impressive list of credentials—the largest city in Canada, the fastest growing financial center in the G7, and one of the most dynamic, yet livable, cities in North America. Toronto was ranked #1 by the Economist as the Best Place To Live in 2015. While offering robust opportunities for internships in English, Toronto sets itself apart from internships in the United States through its distinctively Canadian culture, politics and charm.

With more than half its residents born outside of Canada, Toronto offers world-class arts, entertainment and cuisine drawing from cultures near and far. From film festivals to museums to professional sports franchises, the city offers something for everyone.

The city’s excellent public transportation system makes navigating Toronto easy and convenient. Toronto’s widespread industry sectors and multi-cultural setting create an ideal backdrop for a valuable internship program.

“I am given a lot of freedom in my internship, whether presenting new ideas for communications or social media outlets. I feel I have gained from the openness of the workplace and therefore became more confident in my work.”
