

“My internship has helped me develop confidence, it has paved a way for me to figure out what I want to do, and it has given me the experience necessary to move forward into a master's program and the job force.”

- Mary V., Berlin Global Intern

BERLIN

CREATIVE & VIBRANT

German workers are among the most productive in the world - that's according to data from the Organization for Economic Cooperation and Development. A direct style of communication that leads to consensus and a competitive mindset undoubtedly contribute to the success of the German economy. Berlin has the country's largest economy, offering Global Interns an abundance of professional opportunities.

Outstanding architecture, exciting restaurants and bars, efficient public transportation, and English-speaking locals offer a compelling backdrop for a student internship.
