

“The Santiago experience has helped me become more independent and increased my confidence level in trying new things and taking risks. Especially when it comes to speaking Spanish, I became more confident in using the many years of Spanish I have taken.”

- Issac S., Santiago Global Intern

SANTIAGO

A CITY OF CONTRASTING,
VIBRANT BEAUTY

A booming center and gateway to the region - and the world - Santiago exemplifies the country's export-driven economy, which boasts the highest GDP in Latin America, built on the selling of metals and minerals, fish, services, and wines to the world's top markets.

In this welcoming, culturally diverse, and politically stable country, students can find a challenging yet rewarding internship experience, while building their Spanish language skills.
